About Us.....

With an extensive 30 plus years in the construction Industry, we certainly know what we are talking about when it comes to construction!

Offering our client's a 'One Stop Shop' and the 'One Call Does it All' service when it's anything to do with construction.

English, Spanish & Russian languages spoken.

Based from our Head Office situated in the heart of Camposol, near Mazarron, we cover the entire Costa Calida & Costa Blanca areas and occasionally out of these areas for regular client's or the larger projects.

We have an ever increasing team of skilled workers plus access to many Bonafide contractors both English & Spanish for the larger projects which demand more labour or sometimes other specialty trades not covered within our own workforce.

We hold full Public Liability Insurance, so you can be assured and have peace of mind your property and our business in covered whilst working for you.

Our long term plan is to open a network of offices throughout Spain offering our client's of all nationalities good quality products, installed correctly & professionally at a reasonable cost and in a timely manner in a local area.

So, whether you are looking for a complete Property Maintenance & Management Service, Kitchen & Bathroom Refurbishment or Build a complete new villa, why not ask us for a free no obligation consultation or if you prefer, call into our showroom and discuss in person over a coffee or drink of your choice!

We look forward to working with you – our clients are our business!

New Builds & Development

Have you ever dreamt of owning your own home in sunny Spain?

We can help you realise your dream!

From sourcing the land, designing, acquiring planning through to completing the build ready to give you the keys.

Modern & Stylish Bathrooms

Why not let us transform your existing bathroom into something modern & stylish.

We only use the best quality materials, combined with quality workmanship to give you the perfect finish.

We offer the full package from demolition of the existing to the complete refurbishment of the new, using our own in-house skilled labour.

Quality products fitted by qualified tradesman.

Contemporary Kitchens

Whether you are planning a simple change of doors & worktops through to the design and manufacture of a bespoke whole new kitchen or one of our quality manufactured German kitchens, including all appliances we can help.

We also take care of all the electrical, plumbing, building works too, so can handle the whole project under one roof including furniture where required.

Swimming Pool Construction

Turn your dreams into reality and let us build you your dream swimming pool!

Whether it's a modern rectangular pool, infinity pool, kidney shape, round, square or you chose?

We do everything from the initial design, right through to construction and landscaping including obtaining all necessary licenses from the Town Hall.

Hard & Soft Landscaping

- Design
- Paving
- Decking
- Fencing
- Water Features
- Walls & Planters
- Planting
- Decorative Stone & Mulch

Bespoke
Timber &
Aluminum
Pergola's

Want to increase your property value?

Why not make use of your basement?

Convert into guest accommodation or maybe even a games room.

We can do everything from design, planning / license application through to completion.
